

Volunteer Opportunities

We love volunteers and never run out of things to do around the warehouse.

We have a job for you whether it's 2 hours or 50 people all day! Our "honey-do list" is long.

Warehouse Helpers

We're always in need of help in and around our warehouse. You might sort through carpet tiles, clean kitchen cabinet displays, reorganize a product section or weed our garden beds!

Group Volunteering

Looking for a fun activity for your co-workers, club/organization, or your students (high school & above)? Volunteering at TLD is a great way to strengthen team-building, learn new skills, and give back to the community!

Teach a Workshop

Share your expertise and knowledge with our clients! Topics may focus on home improvement such as tiling or installing doors/windows, or on creative reuse such as mosaic tile art or upcycling furniture! Workshops are hosted at the TLD warehouse and generally on a Saturday from 10am–12pm. Sunday opportunities may also be an option.

If you are a community space or business who would like to host a creative reuse workshop in partnership with TLD, please let us know.

Community Service Hours

TLD may place volunteers requiring community service hours, including court-ordered or service recommended by a case manager or attorney prior to a court date. Potential volunteers requesting placement must provide documentation of hours ordered. TLD may not be able to accommodate hours for certain offenses.

Accommodations

We love having volunteers with all abilities! TLD can provide volunteer projects that accommodate a variety of needs with advance notice.

All volunteer involvement helps divert reusable materials from landfills and into productive use.

If you would like to donate your time or a financial contribution to The Loading Dock please contact (410) 558-DOCK (3625) or volunteer@loadingdock.org
