

Volunteer Opportunities

We love volunteers and never run out of things to do around the warehouse.

We have a job for you whether it's 2 hours or 50 people all day! Our "honey-do list" is long.

Warehouse Work Nights

Join staff and volunteers every 1st & 3rd Wednesday of the month from 6 to 8pm for work nights to restock and organize warehouse. You might sort through 1,000 carpet tiles, clean kitchen cabinet displays, reorganize a product section or weed and water our 1.5 acre landscape project.

Group Volunteering

Looking for a fun activity for your co-workers, club/organization, or your students (high school and above)? Volunteering for TLD will not only get you out of work for a few hours, but it will give you that feel good feeling. The activities are the same as Warehouse Work Nights (see above).

Teach a Workshop

Share your expertise and knowledge with our clients. Topics may include weatherization, paint techniques, plumbing, installing windows doors, tile, carpet, etc. Workshops are held the 2nd and 4th Saturday of the month from 10 – 11:30 am.

Recruit Donations

Come to the Howard County Landfill to help us collect reusable building materials and give them another life. Volunteers will greet and thank donors and load product into our collection trailer onsite.

Spreading the Word

Attend local events and festivals with Loading Dock staff. Assist with setting up/breaking down of displays and communicating our mission and services to the general public.

All volunteer involvement helps divert reusable materials from landfills and into productive use.

If you would like to donate your time or a financial contribution to The Loading Dock please contact Katie Joost at (410) 558-DOCK (3625) or volunteer@loadingdock.org
